

To Whom It May Concern:

Please allow me to introduce you to Tyra Lallo. She and her husband Les have been a faithful part of Calvary Aurora's family for 10 years, where Tyra has served on our worship team. As a step of obedience, she is sharing her gift of song with churches. Her lyrics are Biblical and refreshing to hearts as God uses her music to minister and stir. Please consider allowing her to be used as a blessing to your fellowship. Tyra comes to you with our blessing and we remain watchful for how the Lord might continue to use her in many more ways for His glory.

Blessings,
